

Duane Cummings

A Sensational Life

Meet Duane

Duane Cummings lives, "To Aid Others, Act on Ideas, and Achieve Sensational Results." He's a trusted advisor to organizations and individuals around the world regarding professional and personal development. Duane is an author, entrepreneur, coach, speaker, consultant and philanthropist.

Duane learned teamwork by winning championships as a professional soccer player and coach. After retiring from athletics, he successfully transferred to the business world, where he held several sales management positions, before stepping out as an entrepreneur. Duane has ownership in several companies and was the COO and an equity partner in an oil & gas service company, which recently sold.

Calling upon his knowledge, masterful story telling, and a "never the same presentation twice" policy, Duane connects with audiences and constantly delivers powerful, unique and impactful experiences.

Thought Provoking

"Duane is wise, authentic, and has the unique ability to deliver valuable personal & professional lessons directly into your heart, soul, and mind."

Ricardo Gonzales
Founder of Bilingual America

Becoming A Sales Superstar

"I applied the lessons Duane shared and my sales have doubled! I'm up for rookie of the year and I'm selling product that I was afraid to offer before."

Douglas Kastl
